Annotations:

- ❶ applications are only accepted with a valid e-mail-adress the applicant can access regularly. All communication between zis and the participants is via e-mail.
- ❷ zis never awards grants to young people who already attend university or college. Please refrain from applying if you will be already enrolled at the planned time of travelling
- ❸ please specify country and region
- ❹ zis has only very limited possibilities to support candidates in obtaining visa
- ❺ compulsory for all applicants even if over 18 years of age

Please fill in the form and add all additional material (e.g. project outline and budget plan) zis needs in English or German language. Applications must be sent via conventional mail. For details, see www.zis-reisen.de or our leaflet in English. Incomplete applications will be neither processed nor answered. Deadline for every year is February 15.
